**Practical Pediatrics CME  
Courses feature nationally  
prominent faculty presenting  
topics that cover the latest in  
pediatric medicine.**

- Weekend courses with half-day sessions that provide continuing professional development with relaxation and recreation at great destinations.
- Top-quality education and an opportunity to talk directly with expert faculty.
- Current and practical pediatric information to take back to your office and use right away.
- Interactive, case-based sessions that offer expert guidance about situations you encounter in the everyday clinical setting.
